

Archival Hammonds Plains Fact Map

The Archival Hammonds Plains Fact Map developed by Ian Rouse, is a map site of the Hammonds Plains area, built on layers which provides location and information of the following:

- Historical Community Boundaries
- Lakes and Ponds
- Hills and Corners
- Mills
- Churches

This map is an ongoing project. More information will be added as information evolves. Please contact us at hphsociety@gmail.com if you have any information that you feel would be peritent to add to the map.
